KEY THEMES

- **Parking and access:** Co-op access, site accessibility and intersection safety.
- **Walking and cycling:** safe cycle access, bike parking, and pedestrian connections.
- **Amenities:** adequacy of toilets, showers, shade, seating, and waste management.
- **Fishermen's Co-op:** retention of murals, balancing fresh fish sales and hospitality.
- **Port operations:** replacement of temporary infrastructure and maintain dredging requirements.
- **Landscape:** integration of resilient local artwork and cultural interpretation.

OUR COMMITMENT TO YOU

We're committed to keeping the Apollo Bay community close to this project every step of the way. Your ideas, questions, and local knowledge have already helped shape the harbour's future, and we'll keep sharing regular updates so you can see how your input has made a difference. Through regular updates on our Have Your Say page and other community channels, we'll celebrate milestones, explain the next steps, and make sure everyone feels connected and included. This project is for the whole community, and together we're creating a harbour that reflects and supports Apollo Bay now and into the future.
